## Denver R/C Club Meeting Minutes

December 21, 2022

Regular Meeting of Denver R/C Eagles was held on Wednesday Dec 21st. 2022

Meeting called to order at 6:32 PM. Board Members present; Vice president Dan Kellogg

### Number of Members Present

A quorum is 9 members present. 11 Members, we have a quorum.

### New Members and Quests

none

### Approval of Minutes from last Month's Meeting

Motion made by John Dickens and second by Tom Neff to approve minutes of November 16<sup>th</sup> Motion passed with no alternations or additions.

### Show and Tell

Bob Smith showed his F100 made by flex innovations. It is a 90mm EDF with a difficult to set up gyro system. Bob reported poor build and finishing quality as well as poor customer service. He had not flown it yet so had no flight information to share.

### Leadership Reports

#### President-Mike Eason :

Out of town

#### Vice President-Dan Kellogg

I have been out of town and not able to attend several months of meetings. I will not be attending the

Minutes continued on Page 4

Message from President Mike Eason

Dear Members,

I want to thank all of you that have renewed your memberships for 2023. We are off to a good start with membership renewals. We are looking at what improvements can be made to Suhaka Field this

year. We will be looking to place gravel and fill materials in areas where needed. Fill material around the new taxiway/walkway is in the

works. We will need to get approval from the Park and Army Corps of Engineers before we can proceed. Joe Apice is currently in contact with a company working in the Park to look at the possibility of upgrading our runway surface within our funding capability.

Safety is always very important. With the snow and ice staying for long after snow has stopped, it is important to watch your footing. Prairie dog holes are cover after a snow and can be easily stepped into. Please report any safety incidents to Joe Vedovati the Club's Safety Officer.

Best Wishes, Mike Eason

# Eagle's Wings

THE OFFICIAL NEWSLETTER OF THE DENVER R/C EAGLES CLUB

January 2023

Minutes continued from Page 1

January meeting and will be out of town for the Feb. and March meetings as well. I also have not flown for several months now. Looking forward to warmer weather and clear skies.

**Secretary-** Position vacant, Notes taken by Dan Kellogg and verified by John Dickens

**Treasurer-Joe Apice-** Out of town

No club account or membership numbers to report.

**Safety Officer-Joe Vedovati- Absent**

**Director of Field Maintenance-Bob Heheman- Absent**

**Chief flight Instructor-John Dickens**

Flight training activity shut down for the winter. 3 trainer aircraft available.

### **New business**

Current board members ran for their positions uncontested. There was no candidate for the secretary position and thus will continue to be

vacant. A vote was taken, and vote passed to continue with the current board for the 2023 year.

### **Old Business**

The Auction at Wings over the Rockies was a success. Loren reported that almost all items sent to auction were bought. A profit was made for both clubs. Once again, Loren and his team put a great deal of work into the auction up front to make the process run smoothly. We are fortunate to have such a dedicated and talented club member.

### **Auction**

Rodney continues to work hard to collect and then bring to the meetings donated RC items. Five club members purchased donated items ranging from a "never been flown" Delta Ray model to miscellaneous hardware. \$55 was collected, with \$5 remaining as an IOU.

Motion made by Loren and Second by Bob Smith to adjourn meeting. Motion Passed

Meeting Adjourned at 7:05PM
