Message from President Mike Eason

Dear Members,

Happy New Year. This time of year can be a challenge with the very cold weather. The last time I was out it was a nice warm day of 37 degrees. Thankfully with sun and light winds if was nice.

I had a conversation with Bud Glass the President of Jefco and asked if he would

be interested in having another Fun Fly competition event as we did 3 years ago. Bud said they would like to and they will host it this year. I will Schedule the event once the date is set.

You can keep up on what is happening on Groupworks and also use the Facebook Page.

Best Wishes,

Mike Eason

President
