quests be submitted by September. The LOA with Centennial Airport was included.

As this cold weather continues take extra precautions at Suhaka Field. It can be very slippery as snow becomes compacted into ice. If you would like to help with snow removal from pits and taxiways, contact Bob Hehemann our Field Maintenance Officer.

Best Wishes,

Mike Eason-President

### Message from President Mike Eason

Dear Members,

The windbreakers were finally delivered. The Club did purchase a few extras. The Cub also has purchased pins to identify years of membership with the Eagles. We will be sending those out to the membership according to the records we have on file. Marty Miller has designed a banner which we will be placing in Colpar's Hobby Town and at Suhaka Field. It is a "Learn to Fly banner with our Clubs information on it.

Joe Apice has still been working on getting information and costs for upgrading our runway surface. The contractor has suggested several methods and plans to do a test run with some equipment to determine the best method and also take into consideration of the funds the club has available.

I have submitted the FRIA request form with the AMA. It is the first in having Suhaka Field recognized as a fixed Flying site that will not require remote ID on UAS for recreation flying. The FAA requires re-
