Message from President Loren Anderson

Greetings,
We are now getting to spring. The snows are wet and heavy. I hope that your winter builds are proceeding as planned. Mine is coming along just fine. I hope to be able to share my progress at the April meeting.

We are now in our final push for renewal of club membership. By our bylaw's dues should be paid by the end of March. At that time memberships not paid will be put on “Inactive” status. What that means is you will still receive emails and newsletters from the club until January 1st, 1920. After that date your membership will be considered terminated and you will be removed from our membership list. If between the end of March and January 1st, 1920 you decide to renew your membership, you will not be charged the runway fee. After January 1st, 1920 you will have to pay the current membership fee and the runway fee.

When you renew please include you AMA # and your...

DRCE Meeting Minutes (continued from page 1)

FAA requirements changed February 25 in regards to placement of FAA#s on aircraft. Numbers need to be placed on outside of aircraft. No size requirement, but must be legible. First responders concerned about possible explosives being inside of aircraft.

DRCE has agreement with Centennial Airport which requires that all AMA members that use Suhaka Field must have FAA registration and observe all rules and regulations. DRCE is different than most AMA Clubs because of the agreement we have with the Airport. AMA does not police FAA regulations. Gross violation of this agreement could cause loss of flying privileges at Suhaka Field.

DRCE requires all members to provide their FAA registration numbers.

Vice President-Richard Lowrey

Richard has been working on getting FAA#s from membership. As of January 22nd, 45 members have not yet provided their numbers.

Scholarships for AMA Camp are available. Names must be submitted by March 1st. It was suggested that Nathan Laureano’s name be submitted.

Secretary-Mike Eason

Mike asked that a new event be added to the schedule. Since the Airshow has been moved to July it was suggested that a two day event be added in June at Airfield Elite. Camping for a limited number of units can be accommodated. All are welcome to come out just for a day. No open fires allowed. Barbeques are ok. It would be dry camping for those that choose to do so. Take out what you bring in. A chemical toilet is on site as well as a work shed with tools for repair of aircraft. All types of aircraft are welcome.

The event is to help DRCE members become familiar with Airfield Elite, as discussions are taking place on possible unification of the two clubs.

Treasurer-Rodney Getty

Last year at this time we had 82 members. Currently we have 69 members with 12 new members since January 1st.

Report on Club’s account levels. Club is solvent.

Mike Eason will look into submitting request for funds for cost improvements to Suhaka Field.

Director of Flight Training-John Dickens

No change on mouse count and no scheduled training has taken place.

Safety Officer-Joe Vedovati

Finger count remains the same. Care must be taken when charging Lipo Batteries. Do not leave batteries unattended while charging. Charge batteries in a recommended container. Drill holes in metal storage containers to prevent explosion.

When first setting up airplanes remove prop from plane. This will help prevent prop injuries when there is a problem in set up.

Director of Field Maintenance-Joe Apice

Some attention is needed on sealing cracks in runway. Some areas of runway have deep wide depressions. It may be necessary to saw cut and remove these areas. It was suggested that these areas be filed with post set, compacted and then filled with cold patch. It was also suggested that we add another Maintenance Day early in the year to work on repairs.
Show and Tell

Joe Apice shared his Harley Design Sig Bipe. Joe purchased the kit at auction and also purchased the motor he used at our auction.

Jack Steinhauser and Bob Smith shared their Blue Angels C-130.

Auction

Auctioneer-Tom Neff

Powered Glider won by Joe Apice with bid of $10.
Blade Runner Kit won by Mike Eason with bid of $50.
Surprise Box-Flight Caddie won by Bob Hehemann with bid of $10

Door Prizes

1. Mike Swan- Exhaust Deflector
2. Steve Smith-12v Soldering Iron
3. Paul Schlein-Servo Safety Locks
4. Bob Hehemann- Flex Flash
5. John Dickens-Jewelers Screwdriver Set
7. Joe Apice-Servo Arms
8. Sky Rockit-Fuel Line Clips
10. David Hall-Fuel Line Clips
11. Mike Brinkman-Multimeter
12. Bob Smith-Heavy Hub

14. Tom Neff-1/4-20 Bolts
15. Mike Eason- Fuel Line
16. George Mitsuoka-Wheel Collars
17. Cathy Eason-Chicken S**ck
18. Brian Kopeh-Flex Fuel Line

Motion to Adjourn

1st by Paul Schlein and 2nd by Mike Swan, motion passed.
President’s Letter (continued from page 1)

FAA #, AMA does not mandate that the club require this, BUT our letter of agreement with Centennial Airport and the FAA at Centennial does require that we have the members FAA # on record. Please be advised that your FAA # is now required on the exterior of all planes and drones.

We all agree that the purpose of the club is to facilitate the club in maintaining the field at Cherry Creek. Without your support we would not have a field to fly at. Should you have a financial hardship and can not afford your membership please let one of the officers of the club know and we will try to help in some way.

There has been some concern about winter flying at the field. Some members are very eager to shovel the runways soon after a snow and some would like to have a few days after it snows to fly from the snow. I will add this topic to our next meeting agenda, and we will have to come to some consensus of what we would like to do. Above all, we should strive to play fair at the field.

We are in the process of trying to get one of our junior members to the AMA Academy for the week training class in Muncie, Indiana. There may be one opening remaining, so we are trying to fill it with one of our members.

If you have any suggestions or comments, please let me know.

Loren Anderson, President
