Denver R/C Club Meeting Minutes

June 21, 2022

6:36 PM Meeting called to order. I (Joe Apice) announced this would be an informal meeting as the majority of the board was not present. And I had just realized I was to run the meeting.

Mike Eason - President absent / sick

Dan Kellogg - VP - absent / was injured right before the meeting

Secretary - vacant position

Joe Apice Treasure present

Bob Hehemann - Chief of Maintenance - absent / out of town

Joe Vedavati - Safety officer present

Loren Anderson - previous pres - absent out of town

16 Members present, we have a quorum.

Treasurer's Report - Accounts were reported. Club is solvent

133 members on roster, 115 have paid 2023 dues. Last notice will go out and delinquent members will be removed from the roster.

Safety officer Report - Summer is here heat is on stay hydrated. Men at his jobsite have passed out already from the heat.

Bob Bresford suggested adding some kind of tail restraint to flat tables to hold airplanes in place, this after a bad accident last October where a plane accidentally throttled up and Brianna's hand was badly injured. After some discussion there was not a vote and the idea was dismissed.

Message from President Mike Eason

Dear Members,

I hope all is well with you. Hot weather is now with us. Be sure to wear sun protection. There are tubing holders mounted on the tables put there that will support patio type umbrellas. There are also easy ups in the connex. Only a few persons have the combination. So they may not be available always.

Warbirds over Cherry Creek is scheduled in September. We have a meeting with the Park on the 20th of this month. It is not too early to consider serving as an Officer for 2024. I will not be seeking election to the President's position in 2024. I haven't been at the Field as much this year and it would be good to have a President that makes more use of the Field. I am becoming more involved with my HOA because they need help.

I hope to see you at the next meeting.

Best Wishes, Mike Eason, President

Minutes, from Page 1

Tom Neff - discussed the Sept Warbirds over Cherry Creek classic. He attended the Warbirds

Over Denver Chatfield to get an idea of how they ran it. Award for Pilots choice, best WWI, WWII, best jet etc. We can make up anything we want. They had every pilot have a spotter when flying. Flying was laid back and informal. WBOCCC parking, food and the need for volunteers was discussed.

Informal discussion on lipos after the pole on Group works ended and Spektrum batteries came out on top. Not all agreed with the results. But only 13 people participated in the Group works poll out of 133 members.

Brett Schklar suggested a night fly event. Joe A thought there may be one scheduled as we have had them in the past. Mosquito issues were discussed, but everyone seems to be open to it. There was no vote.

Joe Apice brought up club hats. We are almost out. It was asked what guys would like to wear as it seems the baseball caps are not popular. Floppy full brim hats seem to be what was wanted. No vote was taken.

Treasure issued year pins to the following members

- 20 years
 - Bob Brelsford
 - Robert Ihly

- 15 years
