Dear Members,

The past month for the club has been exciting, busy and fun. The airshow was excellent! Thanks again for all the volunteers. The cooks did a great job feeding the hoards that attended the show. Thanks guys. Parking attendants did a fantastic job with traffic. The show pit bosses and line officers did a great job despite the wind. Jack did an outstanding job organizing the event.

The combat event on Oct. 6th was a wild event as it was cold and very windy. Eleven planes took to the air despite the weather. Although I had to drop out after the first round due to engine problems Rodney did a great job flying a maiden flight in a combat round.

Upcoming on Oct. 20th, we are going to have our annual fun fly. This event will only be open to mem-

lar basis.

The second revision to the Airshow schedule has been sent out by Jack Steinhauser. The final schedule should be out by the middle of next week. The club still needs two or three more people to help with parking. Also need volunteers for the sale of hats and shirts. Jazmine Gatewood and Mrs. Anderson volunteered. They will also be giving out small model aircraft at the table.

November 3rd there will be the auction at Wings Over The Rockies. The club is looking for volunteers to work at the auction.

We have some sandbox issues at Suhaka Field. None of which has been serious. They seem to involve new members. When new members have been approached and asked if they have their AMA badge or are informed of other rules involving safety, there has been some friction. It appears mainly because they don’t know other members yet. Please be cautious when talking with those at the field.

Mike asked for thoughts of relocating pilot pads for use on the N/S runway when flying to the south. After much discussion, John Dickens made a motion that they be left where they are. Bob Brelsford made the second. Motion passed.

Mike also asked about the club having a sign that indicated the flight pattern to be flown, based on the active runway in use. And also to address the flying of the small 3D profile planes in a specific area when the N/S runway is being used flying to the North. The discussion was tabled.

November 3rd there will be the auction at Wings Over The Rockies. The club is looking for volunteers to work at the auction.

We have some sandbox issues at Suhaka Field. None of which has been serious. They seem to involve new members. When new members have been approached and asked if they have their AMA badge or are informed of other rules involving safety, there has been some friction. It appears mainly because they don’t know other members yet. Please be cautious when talking with those at the field.

Mike was asked to provide more information about the Auction at WOR. Auction is November 3rd and will be a joint effort with Airpark Elite and Denver RC Eagles. Bring planes that you no longer fly and auction them. There will be two meetings prior to the event. Much planning is needed to make auction work correctly. If you would like to assist Tom, contact Loren Anderson. Tom will send the information to Loren. The Centennial Museum is now open, Exploration of Flight. They have some good simulators and some static displays.

Combat Event is to be held. There will be a $10 entry fee with $100 going to the victor. You can fly anything you would like. The event will be sanctioned by the AMA and Tom Neff will run the event. Training for judges will be done by Tom. We will need persons to act as judges. Helmets will be required to fly in the event.

Secretary-Mike Eason
be no mowing around the runways. Maybe a small amount required at the rotor area. Jesse asked the membership to thank Bob Hehemann for the fine work he did on repairing stands and construction of the new table. Painting will be the main activity this Maintenance Day which will be from 8:30am to 10:00am.

Joe Apice will bring gravel to be placed along new sidewalk to eliminate tripping hazard.

Prairie Dog mitigation is to begin in October.

Loren Anderson asked for a motion for additional funds required on the concrete replacement. Additional cost was caused by the saturated condition of soil on pit area. More materials were needed to be able to get soil prepared for the pour. Motion made by Mike Curta and second made by Bob Smith. Motion passed.

Eric Sunderwirth was congratulated on receiving his Turbine Certification. Eric was certified at Airpark Elite by Tom Neff. Eric thanked Tom and Sid Gates for their help.

Speaker-Paul Schlein

Epic B70 Build

Paul presented the full size drawings for the build and covered the complexities of building the size, weight power, and construction challenges he faces on this project.

Show and Tell

Jesse brought his LA7 that he built and answered questions.

Auction

Carl Truszynski donated the planes and were delivered by John Dickens.

1. Breeze Electric Airplane won by Todd Baranowski for $20
2. Flying Wing #1 won by Jack Steinhauser for $25
3. Flying Wing #2 won by Jeff Williams for $15
4. Flying wing #3 won by Eric Sunderwirth for $10
5. Flying Wing #4 won by Mike Curta for $15
6. Wind Free Glider no sale

Door Prizes

1. George Mitsuoka- CA
2. Wayne Ehlke- Epoxy Brushes
3. Loren Anderson-Stir Sticks
4. Paul Schlein-mixing cups
5. Eric Sunderwirth-Push rod
6. Todd Baranowski-EC3 Connector
7. Cathy Eason-Servo wire extension
8. Bob Brelsford-Deans Plugs
9. Joe Apice-Paint
10. Tom Neff-Bullet Plugs
11. Robert Smith-EC3 Connector
12. John Dickens-Foam Tape
13. Dan Kellogg-Dope Thinner

Motion to Adjourn

Motion made by Paul Schlein, First by Eric Sunderwirth, Second by Dan Kellogg. Motion passed.

Meeting adjourned 8:30pm
bers. We do not have an event director appointed yet and we are looking for a few volunteers to help with this event. I you would like to help please let me know. It should be fun.

Next up is the auction. We would like to have a few more Denver R/C Eagles involved with the auction. Last year we had more Aero Park members working the auction than Eagles members and we still split the proceeds. This year it would be nice to have more Eagles show up. Its not hard work and fun to watch. If you can help, contact Tom Neff or let me know.

Tom Neff can be reached at at thomas.neff@comcast.net or 303 829 5416.

The past week has given all a taste of the weather to come so I hope you have picked your winter projects. See you at the next meeting.

Loren Anderson
